Sponsorship Opportunity for September by the River

September by the River is an annual two-day festival held each September in Freeport, Pennsylvania's Riverside Park. Presented by the Freeport Renaissance Association, a non-profit organization focused on promoting pride in the community through the enhancement, safety, participation, and development of Freeport, September by the River celebrates the community and promotes local businesses, organizations, craftsmen and artists, and others that make Freeport a true jewel along the Allegheny. This event is the primary fundraiser for the organization and will be held on Saturday, September 17th and Sunday, September 18th, 2022.

Sponsorship of this two-day event provides an opportunity to get your name in front of event attendees, participants, and the public throughout the multi-county region. This event would not be successful without your generous donation. Your sponsorship will be used toward music performance and other live entertainment, kids' activities, or other elements of the festival that cater to the wide variety of community members.
